Industrial enterprises, institutions, and local soviets of workers' deputies constructed and made ready for occupancy 260,000 square meters of housing in 1948. Almost 10,000 families of workers and employees moved into new homes in 1948.

The sale of food and industrial goods in retail, state, and cooperative trade increased considerably in 1948 over 1947, including a 70-percent increase in the sale of bread, 71-percent increase for sugar, and 68-percent for confectionery goods. The retail trade system and the public dining system increased by 1,893 new trade units in 1948 over 1947 and by 3,024 units as compared with 1940. The quantity of agricultural products sold on kolkhoz markets increased considerably over 1947, particularly the sale of meat, milk products, fruits, and potatoes. Prices of food products in cooperative trade and kolkhoz markets were greatly reduced as compared with 1947.

SOME KAZAKH INDUSTRIES LAG IN 1948 -- Bol'shevik Altaya, No 20, 1 Feb 49

The 1948 plan was not completed by all branches of industry in Kazakh SSR. The year's plan for smelting copper and lead was not fulfilled. Such enterprises as the Karsakpay Copper Smelting Plant, the Leninogorsk Combine, Chimkent Lead Plant must make up the lag in 1948 production. Many mines in the "Karagandaugol" Combine are not fulfilling the plan. Enterprises of local industry and the meat and dairy industry are lagging in production. Many construction enterprises are not fulfilling the construction plans satisfactorily. The "Altaystroy" and "Kazmetallurgstroy" Trusts, who are responsible for the construction of important new industrial projects, have not been meeting their schedules.

KAZAKH ENTERPRISES WIN AWARDS -- Bol'shevik Altaya, No 9, 14 Jan 49

The following enterprises have been permitted to keep the Transferable Red Banner of the Vostochno-Kazakhstan Oblast Committee KP(b) Kazakhstan for their achievements in the December 1948 competition:

The Berezhovskoye Mine Administration (director, Mukhtarov; secretary of party bureau, Belousov) fulfilled the December plan 114 percent for mining ore and 110 percent for processing ore.

The Ust'-Kamenogorsk Zinc Plant (director, Lyssenko; secretary of Party bureau, Dodin) exceeded the December plan by 24 percent for zinc ingots.

The "Kalbaredmet" Mine Administration (director, Vorob'yev; secretary of the Party bureau, Gur'yancov) fulfilled the December plan 110 percent for tungsten and 140 percent for tin.

The Kurchumskaya Mine (director, Shatalov; secretary of Party bureau, Tokanov) exceeded the December plan.

The Vostochno-Kazakhstan Oblast Cooperative of Invalids Union (chairman, Antropov; secretary of Party organization, Kirdyashkina) fulfilled the December plan 130 percent.

The following enterprises were awarded the Transferable Red Banner in the December competition:

The 27th Track Sector (chief, Materikin; secretary of Party bureau, Mikheyev) fulfilled the December plan 152 percent.

The Oil Plant imeni Krasin (director, Zakharenko; secretary of Party bureau, Kirgintsev) fulfilled the December plan 183 percent.

The "Altayshilstroy" (Altay Construction of Mine Enterprises) Trust (director, Borisov; secretary of Party bureau, Akhrimenko) fulfilled the December plan 112 percent.

The Red Banner was transferred from the Railroad Car Depot of Zashchita Station and from the Ust'-Kamenogorsk Meat Combine, both of which decreased the level of their work in December.

UST'-KAMENOGORSK INDUSTRY FULFILLS 1948 PLAN -- Bol'shevik Altay, No 11, 18 Jan 49

The Fifth Plenum of the Ust'-Kamenogorsk City Committee of the KP(b) Kazakhstan discussed the results of the 1948 operations of industrial enterprises in the city. Razuvaev, secretary of the City Committee of the KP(b) Kazakhstan, reported that the industry of the city fulfilled the 1948 gross production plan 116 percent and realized nearly 10 million rubles in above-plan accumulations instead of the planned 8,200,000 rubles. Twenty-five enterprises in the city completed their production plans 2 to 3 months ahead of schedule, including the zinc plant, the Kanayskoye Mine Administration, Oil Plant imeni Krasin, and others.

Workers in "Ukastro" (chief, Prokopenko) fulfilled the 1948 plan only 72.4 percent as a result of inefficient organization of labor and failure to meet the daily living needs of construction workers. During 1948, 1,256 workers were added to the enterprise, but almost as many left for other work. Productivity of labor was only 92 percent and more than 300 workers did not fulfill their quotas.

Construction of the Ust'-Kamenogorsk GES did not complete the 1948 plan and had more than 3 million ruble losses.

Many of the city's enterprises have reduced the level of their work since the beginning of the year, including the baking combine, industrial combine No 2, and others.
